HEALTHCARE EXPERIENCE

Community Health Fair Volunteer

April 2023

Los Angeles Community Health Clinic, Los Angeles, California

- Performed vital signs and spirometry tests for over 30 elderly residents, ranging from 70-90 years old
- Demonstrated breathing exercises and the use of respiratory equipment to residents and their families

Hospital Volunteer

May 2019 – Present

Cedars-Sinai Medical Center, Los Angeles, California

- Greet patients and guide visitors around the hospital, while completing over 300 hours
- Assist nursing staff by performing data entry and filing, answering patient phone calls, and running errands
- Act as a liaison for healthcare teams by communicating patient needs to nursing staff
- Observe HIPAA confidentiality rules and all hospital policies and regulations
