

***MyEdPlan is NOT enrollment.** MyEdPlan is simply a list of courses you select based on your goal. On your enrollment date or thereafter, you must enroll in each available class through your Corsair Connect account.*

All new SMC students are now required to complete a two semester/session educational plan using MyEdPlan, an online educational planning program. You can access MyEdPlan through the student portal (**Corsair Connect**) or by going to [www.smc.edu/ep](http://www.smc.edu/ep).

***IMPORTANT:** You need to complete MyEdPlan before your webinar. Your plan may include classes for either Summer/Fall or Winter/Spring.*

Your education plan will be reviewed by a counselor during your counseling session. It will provide a basis for meeting your goals and interests at SMC.

#### **Steps to using MyEdPlan**

1. Access MyEdPlan through [www.smc.edu/ep](http://www.smc.edu/ep) using your SMC **ID number** and **password**
2. Click on the **New Release Announcement**
3. Click on **Tutorial** on the left hand side and watch the video
4. Click on **New EdPlan** to create your plan
5. Type in your **last name** and click on **I agree** to acknowledge statement
6. Complete all steps by **answering each question** and clicking on **Next**
7. After completing these steps, click on the **Course Search/Elective** tab to begin **selecting classes**.

***IMPORTANT TIPS:** If you need help in selecting classes, go back and review the on-line orientation. If you plan to list winter/summer classes, you might need to first activate that session by clicking on the **Activate** button. As a new student, you must also include Counseling 11 in your plan for either one of your first two terms.*

8. From the menu, select the **subject** you wish to take
9. Click on **Search** to look at **class options**
10. Click on **Add to Plan** once you **select a class** you are interested in taking
11. Indicate the **Planned Semester** or **session** you plan to take that class
12. Click on **Add Class to Plan** when you have identified a specific class
13. Repeat this process until you have planned classes for at least two terms

Before completing your webinar at SMC, you may be allowed to enroll in **12-16 units** for the Fall/Spring semester starting on your assigned enrollment date. New incoming students for summer/winter session must enroll in at least 4 units. Enrollment assistance is available after your mandatory webinar.
