

## **Notice to Readmit Students**

Please read the following instructions carefully and follow through!

- If you have entered the U.S. on our I-20, please visit the International Education Center with your passport and I-20. This is an important and necessary step to document your registration with SEVIS.
  
- If you have transferred from another institution or are returning to SMC after OPT or other circumstances, please visit the International Education Center with your passport and previous I-20 to process your new I-20 and registration with SEVIS.

If you have any questions, please contact:
