Madrid

WINTER 2026

JANUARY
7-14

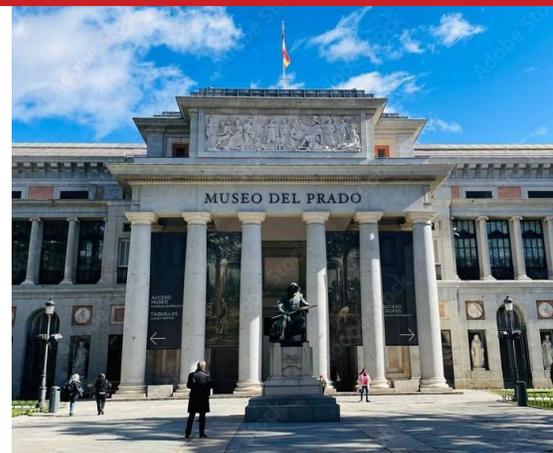

Professor
Taneka Washington

Study in Madrid, a city rich in culture, history, and art. Madrid is home to some of the most important art collections in Europe and include Prado, Museum Reina Sofia, the Thyssen gallery, and the National Archaeological Museum. Madrid is a great location to visit multiple culturally rich cities nearby such as Toledo, Segovia, Alcalá de Henares, and Salamanca. If you've never travelled to Europe before, Madrid is a great gateway city as a first introduction to Spain. For those who have traveled to Europe, Madrid offers an amazing traditional Spanish experience with a perfect mixture of culture, food, and architecture.

Program Fee: \$2,330
